

## *Hands-free intercom systems*

*Eztek TalkBack intercom systems are used around the world and offer secure and reliable communications. TalkBack systems are now available on short or long-term rental.*

# TalkBack Intercom Systems

## Benefits:

**Keeps communication secure**

*The cabled TalkBack system ensures messages only go where intended*

**Leaves space in the cabin for a safer working environment**

*TalkBack Master Stations are compact for use in small work spaces*

**Quick to set up and remove**

*Because the TalkBack is compact and portable it reduces the time needed for installation and removal*

**Leaves hands free for continuing work**

*The combination speaker/microphone is hands-free*

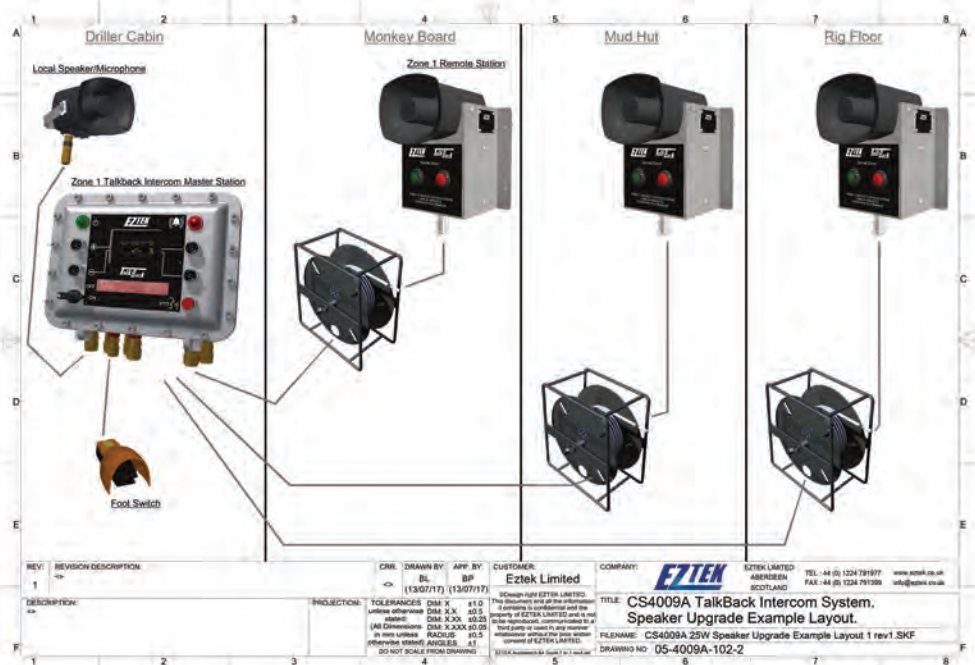

**Easy to expand the system in the field**

*The modular system can be adjusted as operational needs change*

## Suitable Applications:

Wireline  
Land and offshore rigs  
Vessels  
Electrochemical plants  
Mining operations

*Currently in use on land rigs  
and offshore rigs all  
over the world.*

## Features:
