

# Zone 1 Safeye Camera System

## Benefits:

### Interference free image increases safety

*Our technology allows for a clear view of your operations area*

### Decrease costs with tailored systems

*Eztek works with you to determine what will best fit your requirements*

### Quick to set up and remove

*All of Eztek's systems are plug and play, making it easy to set up without specialist help on site*

### Cabled systems mean no local power is needed

*Eztek supplies cables, including armoured cables, on reels for easy transportation and hookup*

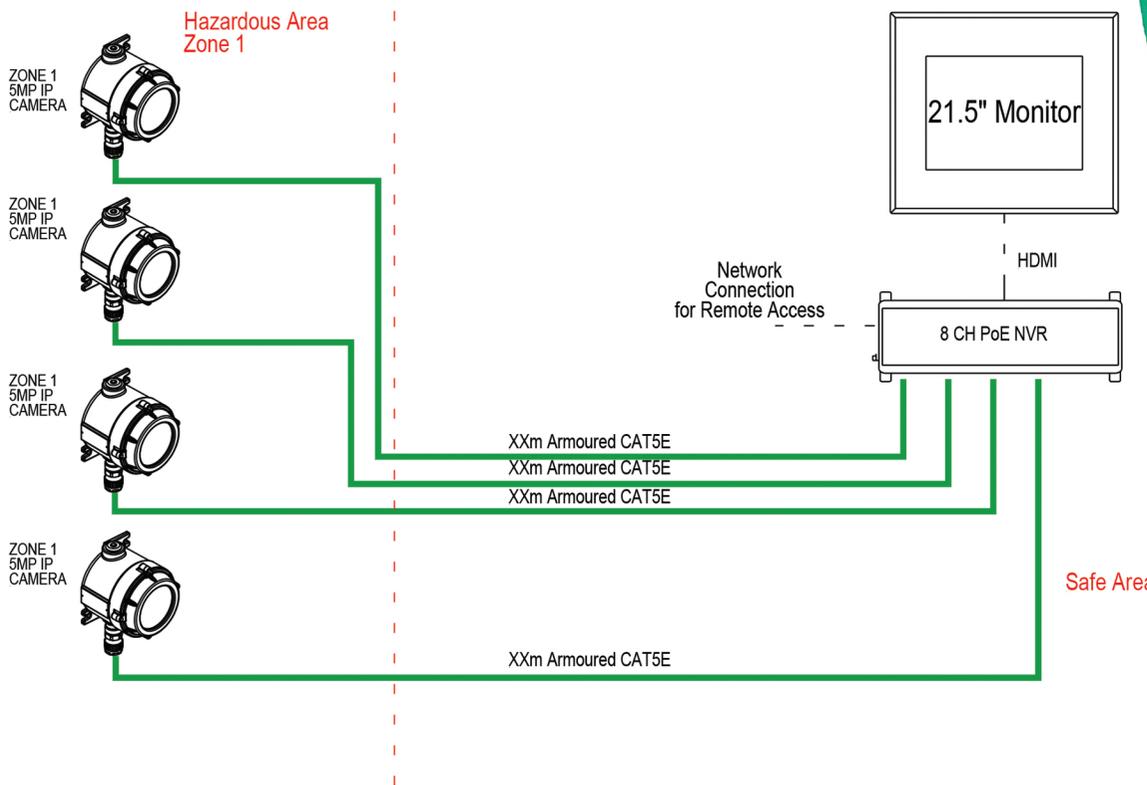

### Easy to expand the system in the field

*The modular system can be adjusted as operational needs change*

*Permanent glanded option available*

## Proposed System Layout

## Suitable Applications:
